Newport, New Hampshire  
February 6, 1952

A meeting of the Finance Committee of the Sullivan County Delegation was held in the Commissioners office in Newport at 1:15 P. M. February 6, 1952, Chairman Rowell presiding.

In attendance were Mr. Rowell, Miss Bailey, of Newport, Mr. Converse, Mr. Baron, of Claremont; Commissioners Pierce, Sullivan and Perry, and Mrs. Helen Bartlett, office manager.

Copies of the estimated budget for 1952 were handed the committee with explanation sheets and copies are herewith attached.

Mr. McCusker, Sheriff — Mr. Slattery, Solicitor — Mr. Russell, Register of Deeds — Mrs. MacWilliams, Register of Probate — came before the Committee to present their estimated money requirements for their respective offices for the year 1952.

The County Commissioners then proceeded to explain in detail their estimated budget for 1952. This budget was discussed in detail.

The meeting adjourned at 4:40 P. M.

ELSIE C. BAILEY, Clerk  
April 9, 1952

Resolved that Finance Committee of Sullivan County empower the County Commissioners to advance the sum of \$2,000 chargeable to 1952 budget of County Extension Service.

ELSIE C. BAILEY Clerk  
Claremont, New Hampshire

April 18, 1952

The Public Hearing on Sullivan County Commissioners Budget, having been duly advertised in the Claremont Eagle, was held at 10:00 A. M. April 18 in the Commissioners' office in Claremont.

Present were Commissioners Pierce, Perry, Sullivan; Chairman Rowell, Miss Bailey and Mr. Bissonette of the Finance Committee; Mr. Converse, Chairman of the Sullivan County Convention; T. O. Russell, Register of Deeds, and a reporter from the Claremont Daily Eagle.

At 10:00 A. M. there were no interested spectators on the part of the public so a recess of a half hour was declared. During that time a general discussion ensued that ranged from damage by elk near the County Farm lands to County taxes.

At 10:30, Chairman Rowell called the meeting to order. There was no increase in attendance.

Chairman Rowell called on the Commissioners for any suggestions they might have. Briefly, their comments were;

Mr. Pierce — \$300 would be needed for manure spreader and that it might be necessary to purchase a new milk cooler to meet sanitation requirements at County Farm.

Mr. Sullivan reported the Hospital at County Home has been approved as an institutional infirmary.

Mr. Perry reported the costs of poor off the Farm had increased materially for first three months of 1952 as compared with corresponding months of 1951. The average load in this category ranges from thirty to forty cases.

Announcement was made that the County Convention for adopting the 1952 budget and inspection of the County Home would be held on April 28 at 10:30 A. M.

On motion of Mr. Russell, seconded by Mr. Converse, the meeting adjourned at 11:20 A. M.

ELSIE C. BAILEY, Clerk

Sullivan County Home

April 28, 1952

The Sullivan County Delegation met at the County Home for the purpose of adopting the budget for 1952. The delegation

assembled at 10:30 A. M. and the morning was spent inspecting the buildings and discussing the various aspects of our County institution. At 12:30 a fine dinner was served the delegation with the Commissioners and Mr. and Mrs. George as Hosts. At the conclusion of the meal Chairman Converse proposed a rising vote of thanks be accorded Mr. and Mrs. George, which was unanimously adopted. The group re-assembled in the Chapel at the Almshouse for the business session, Chairman Converse presiding. Roll call by the clerk showed the following members present:

Bascom of Acworth  
Frizzell of Charlestown  
Converse, Millar, Bissonett of Claremont  
Carter of Cornish  
Vaughan, Rowell and Bailey of Newport  
Pierce of Plainfield  
Callum of Unity

In response to inquiry if any selectment from the towns were in attendance, T. O. Russell of Sunapee responded, but in view of his county office would not be entitled to vote.

Also in attendance were County Commissioners. Messrs. Perry, Pierce and Sullivan; Mrs. Helen Bartlett of Commissioner's office in Newport. M. J. Sargent, Treasurer; Jarlath Slattery, Solicitor; Tony O. Russell, Register of Deeds; Bernice M. S. MacWilliams, Register of Probate; Leo L. Osborne, former County Commissioner and member of Board of Public Welfare; James J. Barry, Commissioner of Public Welfare; Mr. Farrar of the State Board of Health.

Chairman Converse turned the meeting over to Chairman Rowell of the Finance Committee. Mr. Rowell congratulated the Commissioners for their excellent work of the previous year, thanked the Finance Committee for their cooperation, as well as all members of the Delegation.

Mr. Perry, Chairman of the Board of County Commissioners responded and asked permission to have brief comments from visitors in attendance. His request was granted and Mr. Perry called on Mr. Leo Osborne, who in turn introduced Mr. Barry. Mr. Barry spoke on the program of the State Board of Public Welfare as it affects Sullivan County. Highlights of his talk were explanations of changes brought about in the last session of the Legislature, namely: (a) Aid to totally disabled persons, and (b) Aid to old age persons who are aliens.

Mr. Farrar from the State Board of Health office was the next speaker. He called the attention of the Delegation to three

points wherein the set-up at the County Home did not meet sanitation requirements of the State Board, namely:

1. Equipment for pasteurizing and cooling the milk was not satisfactory; made suggestion whereby it would qualify.
2. Dishwashing equipment not sanitary. Need could be met by use of three-compartment sink or the purchase of a dishwashing machine.
3. Storage compartment for raw ingredients was needed.

At this point it was announced that H. V. Beattie, Jr. from Humphrey's, Inc. in Concord was there with a dishwashing machine he would like to demonstrate. Chairman Rowell appointed Mrs. Millar, Mrs. Frizzell and Mr. Carter a committee to view this machine, and a ten minute recess was declared.

When the meeting was resumed the County Commissioners reviewed their proposed budget and county business generally, which obviously has its problems. Attention of the delegation was called to the increase in cost of support of poor off the farm and old age relief for first three months of 1952 as compared with corresponding months of 1951, and approximately fifty-eight children being cared for at present with ever increasing costs. Mr. Pierce made further comments regarding the pasteurizing problem, repairing of root cellar, and told of their plans for raising of grain and potatoes this coming season. Attention was called relative to an offer for the so-called Lane Sawmill, and the delegation were asked to give the matter consideration.

Mrs. MacWilliams spoke of the need for properly marking the Records Building in Newport.

Audience retired.

The Delegation went into Executive Session and the following business was transacted:

Court House

Newport, New Hampshire

December 27, 1952

. A special meeting of the Sullivan County Delegation was held at the Court House in Newport at 10:00 A. M. December 27, 1952. In attendance were Chairman Converse, Vaughan, Rowell, Perry and Bailey of Newport; Frizzell of Charlestown; Mr. Pierce, Sullivan County Commissioner.

Chairman Converse opened the meeting and explained the purpose of calling the meeting was due to the mounting costs of operating the County Home and the amount budgeted for this purpose was not meeting the needs. The Chairman asked Commissioner Pierce to explain the situation. Commissioner Pierce stated that the increase of patients at the County Hospital has increased 35% over previous year. He stated there was also a likelihood that the Sheriff's Department and Relief Costs would likely exceed their budgets. Mr. Pierce stated the Inventory at the County Home was considerably higher than usual.

Discussion ensued relative to the charge of \$16.00 per week per patient at the County Hospital as being adequate.

It seemed the consensus of opinion of the members present that the Delegation should empower the Commissioners to use such sums of money from the Emergency Fund as might be required to meet current bills.

On motion of Mr. Vaughan, seconded by Mrs. Frizzell, it was

VOTED that such sum of money as the Commissioners deemed necessary to meet current bills (which is now in the emergency fund, amount \$6,000.00) be turned over to them for their use.

Since a quorum was not present, Messrs. Converse and Rowell were delegated to contact a sufficient number of the Delegation to make such action legal. Copies of such affidavits are herewith attached.

Chairman Rowell of the Budget Committee made the suggestion that the costs of all the County Departments be broken down and be given to the incoming delegation; also that comparative costs of other Counties be made available.

On motion of Mr. Rowell, seconded by Mr. Vaughan, the meeting adjourned at 11:00 A. M.

## COMMISSIONER'S REPORT

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Sullivan County herewith present the Annual Report of the County Commissioners, the County Home and House of Correction, Treasurer, Auditors, Solicitor, Clerk of Court, Sheriff, Chaplain, and the Physician of the County for the year ending December 31, 1952.

### Relief

Relief through the County followed closely the pattern of the past few years. As usual the load increases during the fall and winter months, due to the increase in fuel and medical care. Hospital and medical care continues to increase. This expense accounted for better than 30% of the total expenses for 1952. Wherever possible, we endeavor to help in placing some of the recipients of relief in self-supporting employment. However, the number of permanent cases continues relatively high, and these we must continue to aid.

### County Home

It is the aim of your Commissioners to maintain the physical property of the Farm and Buildings in good condition, and to this end, the repairs on the Hay Barn were completed, including painting. Grading and filling in of the site of the old cow barn was completed. In compliance with State regulations, a pasteurizing unit was installed at the milk shed and pasteurized milk is now served to all inmates as required by law. The storage room for cereals, flour, etc., was completely remodeled, and accepted by the Department of Sanitation. Also continued was the systematic replacement of steam and water pipes to bring these back to good condition. We hope to continue a specific program of up-keep that will maintain the physical property in a satisfactory condition.

Revenue from the Farm, Boarders and Old Age Assistance ran in excess of 1951, and if present conditions continue, we should

expect some increase in revenue for the year 1953. During the year, the number of persons receiving care increased more than 13% above the preceeding year, and all indications point to a continuation of a high census at the Home.

The Hospital is now operating under a license from the State as an Institutional Infirmary and Custodial Rest Home. This requires the services of Registered Nurses on duty 24 hours a day, and permits the Hospital to care for those patients who receive Old Age Assistance. This change in statute went into effect late this year, and should prove a source of income not formerly available to the Institution.

The Forestry program instituted some years ago is being continued, and as previously reported, we have the valuable assistance of Forester William E. Dussault, who with Superintendent George are carrying out this long range programme.

### **Cooperation**

We are grateful for the interest shown by the citizens of the County and to all those who have assisted us in our work during the past year. To the employees of the County, town officials, chaplain, physician, and to all clubs and organizations whose contribution to the welfare and happiness of the inmates and patients is an example of charity in its highest meaning, our sincere thanks.

### **Invitation to the Public**

Again your Commissioners urge the citizens of the County to visit and inspect your County Alms House and the Farm. By doing so, you can get first hand information as to all phases of the county work, and we can assure you that the Superintendent, Matron, and the Commissioners will welcome any constructive suggestions for the improvement of the operation of the Plant, and are ready to answer all your questions, and to extend to you a cordial welcome, if you come to see us. We repeat, we feel that it is the duty of all citizens of the County, by suggestions and advice, to help make your County Institution more effective in its services to the County.

### **Superintendent and Matron**

The complexity of duties in the management of a County Institution are many and divergent, and only close association with these manifold tasks can give one an idea of their scope. Unfortunately this association is not possible for all citizens of the county, therefore, they must assign the carrying out of these many duties to the Superintendent and Matron.

Mr. and Mrs. William George have for several years en-

deavored to perform these tasks in a manner satisfactory to all. The thanks and gratitude of many persons who have come under their care, and reports from our State agencies, show they have performed these duties well.

The Commissioners wish to express their thanks to Mr. and Mrs. George and the members of their organization for their loyalty and cooperation.

## Superintendent's Report

To the Commissioners of Sullivan County,  
Gentlemen;-

Reviewing the past year, it seems to have been a productive one. The growing season was favorable, and our crops were good. Our vegetable, hay, and corn were especially so.

Considerable painting and repairs have been done, the much needed grading around the barns completed.

The population of the Home and House of Correction exceeded that of the previous year by 545 weeks board. The per capita cost per week was \$1.46 lower than the year previous. This was achieved in spite of higher costs of labor and supplies.

The Hospital has been filled to capacity most of the year, many of the cases most difficult.

The Nursing staff has done a fine job caring for these patients.

The sick and aged have derived much pleasure from the gifts of flowers, favors, candy, and fruit given by individuals, churches, and social organizations.

We thank them sincerely.

We wish to thank the Clergymen, Doctor Stearns, the Commissioners, and our employees for their help and cooperation during the past year.

WILLIAM H. GEORGE, Superintendent  
MILDRED F. GEORGE, Matron
